

Warranty Policy

WARRANTY

Omni is firmly committed to the quality assurance of the tires it distributes.

Eligibility

This limited warranty applies to the original purchaser of any new tire manufactured by Omni United (S) Pte Ltd bearing the Department of Transportation prescribed tire identification numbers and produced after 2009. Eligible tires shall be used on the vehicle on which they were originally installed according to the vehicle's manufacturer or Omni's recommendation.

Material and workmanship warranty

1. If a defect in workmanship and material is found in any tire within the first 2/32" tread wear a no charge replacement will apply. The defective tire must be replaced with a comparable new tire by an authorized dealer.
2. Thereafter the replacement cost will be prorated down to 2/32"
3. Applicable free replacement applies to new first quality tires only. Blems, retreads and road hazard tires are especially excluded.

Exclusions

All new tires are limited to the original purchaser, and are not assignable to subsequent purchasers. The limited warranty is applicable only in the United States of America, Canada and Europe.

What is not covered

The limited warranty does not apply to tires which are being serviced under the following conditions:

1. Purchasing documents do not match with the tire or no effective original purchasing documents.
2. Willful Abuse / Collision / Wreck / Fire
3. Continued use while flat or severe under/over inflation.
4. Road Hazards including without limitation, puncture, cut, impact break, stone drill, bruise, bulge, snag, collision.
5. Premature or irregular wear due to vehicle mechanical problems.
6. Conditions resulting from without limitation, improper mounting/demounting, under inflation, improper tire size, defect in vehicle, abuse.
7. Ozone or weather cracking on tires over three (3) years from the date of manufacture.
8. Ride disturbance complaints after 2/32" treadwear.
9. With less than 2/32" remaining depth.
10. With the serial number or mark number cut or buffed.
11. Racing or off road use and misapplication.

Out-of-Round or Out-of Balance

Adjustments related to out of balance defects will be replaced only during the first 1/32" (0.8mm) of the original tread depth. The user must pay for any associated service charges including mounting and balancing of the tire.

At the time of the first purchase, the tire(s) must be perfectly mounted and balanced, proper air pressure maintained and the wheels properly balanced.
