Radars tires sit at the pinnacle of modern tire design providing a level of performance only achievable with the latest advances in tire design, engineering and construction.

Radars supply a range of tires that provide exceptional levels of grip, tire wear and passenger comfort.

RPX 800

**LATEST TECHNOLOGY COMPOUNDS,
CUTTING EDGE TREAD PATTERNS
AND LEGENDARY DURABILITY.**

RPX 800

This pattern features three tread designs rolled into one incredible all season tire. The outside has a lower rubber to void ratio for stability while cornering and the centerline of the tire has a continuous rib for braking and high-speed stability. The inside has a greater rubber to void ratio for enhanced traction in wet and winter conditions. Tread compound has been specially formulated to enhance comfort and provide exceptional tread life.
